31		<p>COVID-19 protocol:</p> <p>Social distancing of 6ft or more and facial masks covering your nose and mouth are required by everyone older than two years of age at all times in the building and facility. Exception would be during the pre-swim cleansing shower and while swimming. Only once you sit down to enter the pool are you permitted to take off your mask; we ask that you bring a plastic bag to place the mask in while you are in the water. Many patrons find it helpful to write their name on the bag. After swimming or during bathroom breaks, please sit poolside again and immediately put your mask on. Patrons are not allowed to walk around the facility without a mask on. Proper mask covers both your nose and mouth. Sanitization & cleaning is completed for 30 minutes between programs.</p>
